## DR. CHING- CHIH CHEN

Dr. Ching-Chih Chen is presently Associate Dean of Simmons College Graduate School of Library and Information Science. Dr. Chen's magnum-opus, *Project Emperor I*, in development for the past six years, will be the principal feature of the Know Show conference. She holds degrees from National Taiwan University, the University of Michigan and Case Western Reserve. Included among her vast number of academic awards and honors are Distinguished Alumnus of the University of Michigan and National Taiwan University, and the 1983 Outstanding Information Science Teacher Award from ASIS. Dr. Chen is also author of over 12 books and is in demand as a speaker at conferences both here and abroad.

## HAROLD E. WAY

Harold E. Way will present the *Role of Librarians in Affecting Change in the Information Industry*.

From the heartland of America and presently an account executive for UMI, he worked for over 20 years in all types of libraries, academic, special and public, at all levels, from clerk-typist to administrator. Mr. Way has been involved in online searching since the infancy of the industry, and has written extensively for its two major organs: *Online and Database*. Along with his credentials in the information field, he holds a degree in Urban Geography from Western Michigan University.
