Ching-chih Chen

OCLC announced that **Ching-chih Chen** has joined the company as consultant to the president for global digital initiatives among libraries, museums, and archival institutions. She will consult for OCLC on special assignments and projects.

Currently, Chen is a professor at Simmons College's Graduate School of Library and Information Science in Boston. In 1997, she was appointed to serve as a member of the President's Information Technology Advisory Committee through 2002. Chen is an international consultant and speaker and has received honors and awards including the LITA/Library Hi Tech Award. She is a Fellow of the American Association for the Advancement of Science and has been author and editor of multiple books and scholarly journal articles.
